You'll love Sørenga. The atmosphere, the architecture, the fjord, the great restaurants with smiling waiters. That it takes 10 minutes to walk into the city center and one minute to the sea. At Sørenga there are countless rooms for experiences and we have many for rent. Each apartment is furnished in a unique and handpicked combination of furniture, interior and art. The amenities are state of the art, the location superb and central, right between the sea and the city centre.

The apartment is very friendly and allergic as smoke and animal husbandry are not allowed It is ok to smoke on the terrace, but not in the apartment

NB1! The apartment can be rented for shorter periods as well. Minimum 2 days

NB2! We have 11 similar apartments located in the second building on sørenga. Several of the apartments are located on the same floor and wall wall, so more families can rent these as the distance between each other is not great.
